DRAFT, DATED NOVEMBER 11, 1933, OF THE ART AWARDS REGULATIONS, 1933, PROPOSED TO BE MADE BY THE BOARD OF EDUCATION UNDER SECTION 118 OF THE EDUCATION ACT, 1921 (11 & 12 GEO. 5. c. 51).

The Board of Education hereby make the following Regulations :—

1. The Board of Education offer the following Awards at the Royal College of Art, namely—

- (iii) Continuation Scholarships and Travelling Scholarships for students who have obtained the Diploma of Associateship of the College.

2.—(a) If the holder of an Award satisfies the Board that he needs assistance to enable him to follow his course of study, the Award will comprise such emoluments available under this Article as the Board think fit. In considering whether or to what extent assistance is needed as aforesaid, the Board will have regard to the student's private means, to any Scholarship or Exhibition held by him, and to the assistance which may reasonably be expected from persons who would in ordinary circumstances have borne or contributed to the expense of his education.

(b) The emoluments available in connexion with a Royal Exhibition, Continuation Scholarship or Studentship are—

- (i) total or partial remission of fees at the College ;

[Price 1d. Net.]

- (ii) third-class railway fare between the student's home and London for one journey to and fro in each annual Session; and
- (iii) except in the case of a Studentship, a maintenance allowance at a rate not exceeding £80 a year.
- (c) The emoluments available in connexion with a Travelling Scholarship are payments in respect of the period or periods of travel, not exceeding in the aggregate £100.
- (d) The emoluments of the Princess of Wales Scholarships under Article 5 are not subject to the provisions of this Article; but any other Award will, if the Board are not satisfied that the holder needs assistance as aforesaid, be tenable as an honorary Award without emolument.

#### *Entrance Awards.*

3. In each year the Board will award not more than fifteen Royal Exhibitions and not more than twenty Studentships, tenable at the College for a Diploma Course of three years. Candidates must not have previously studied at the College. They must have attained the age of eighteen years and be under the age of thirty years on the 31st July in the year of the award; and a person will be deemed to attain the age in question at the commencement of his birthday.

4. The Royal Exhibitions and Studentships will be awarded after consideration of the results of the Board's Examinations in the five subjects of Industrial Design, Pictorial Design, Painting, Modelling, and Drawing, and the Intermediate Examination of the Royal Institute of British Architects, provided that candidates in the last-named examination shall take Architectural Design as their optional subject. The rules governing the examinations must be observed, and candidates must pay the examination fees. The Board may give a preference to any candidates on account of employment in trades depending upon Decorative Art.

#### *Princess of Wales Scholarships.*

5.—(a) In each year the Board may award a Princess of Wales Scholarship to the student whom they consider to be the best woman student gaining a Royal Exhibition or Studentship in that year. This Scholarship will comprise payments at the rate of £20 a year, and will be tenable with the other Award for the Diploma Course of three years.

(b) If the income of the Scholarship Fund is sufficient the Board may from time to time award an additional Princess of Wales

Scholarship comprising such payments and tenable for such period and on such conditions as they may determine.

*Post-Diploma Awards.*

6.—(a) In each year the Board will award not more than twenty-five Continuation Scholarships to selected students of the College who have obtained the Diploma of Associateship.

(b) A Continuation Scholarship will be tenable at the College for the purposes of the Post-Diploma Course for intending teachers or some other form of post-diploma study approved by the Board for the purpose. The period of tenure will be one year only unless it is specially extended by the Board, but will not in any case exceed two years in all.

*Supplemental Provisions.*

8.—(a) The Awards are open to British subjects only.

(b) An Award under these Regulations, other than a Princess of Wales Scholarship, may not be held together with another such Award.

9.—(a) The tenure of an Award is subject to observance of the rules of the College and to satisfactory conduct and progress.

(b) Improvements in financial circumstances which might affect any emolument comprised in an Award must be communicated to the Board.

(c) An Award or emolument may be revised or cancelled if the Board think proper.

10. Nothing in these Regulations shall affect the power of the Board to remit fees at the Royal College of Art at their discretion.

11. If any question arises as to the interpretation of these Regulations the decision of the Board shall be final.
